

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE
PROPOSED REPLACEMENT OF BRIDGE NO. 322 OVER 20TH STREET ON
UNIVERSITY PARKWAY IN WINSTON-SALEM

TIP Project No. B-4745

Forsyth County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on Tuesday, May 12, 2009, between the hours of 5:00 PM and 7:00 PM at the Martin Luther King, Jr. Community Center, 2001 Pittsburg Avenue, Winston-Salem, 27105.

This second workshop is being held because of a change in how construction is proposed to take place. Originally the plan was to replace the bridge in phases maintaining traffic onsite during construction. Because of a one-year plus construction zone created with continual disruption to traffic, NCDOT in coordination with the city of Winston-Salem is now proposing to detour traffic offsite while reducing the period of construction to 2 to 3 months during summer 2010.

Interested individuals may attend this informal workshop at their convenience during the above stated hours. Department of Transportation representatives will be present to answer questions and receive comments from the public about this project.

Anyone desiring additional information may contact Ms. Natalie Lockhart, Project Development and Environmental Analysis, Bridge Unit, 1598 Mail Service Center, Raleigh, NC 27699-1598, phone (919) 850-2187, fax (919) 431-2002 or email: nnlockhart@ncdot.gov.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Ms. Lockhart as early as possible so that arrangements can be made.
